

Mr Odd and Mr Even

A game about odd and even numbers

What you will need...

- Two Numicon 0-5 dice
- Counters
- 2 copies of this sheet

What to do...

- Players takes turns to roll both dice and add the scores together.
- If their score is an odd number they put a counter on their 'Mr Odd' frame. If their score is an even number they put a counter on their 'Mr Even' frame.
- The overall winner is the first to fill both frames.
