Covered Learning Goals

Learning Goals	Active Planet	Brainwave	Bright Sparks!	Digital Gamers	Explorers And Adventurers	Feel The Force!	How Humans Work	ICT & Computing	Island Life	Land, Sea And Sky	On Tap	Saving The World	Scavengers and Settlers	Shake It!	Temples, Tombs And Treasures	The Nature Of Life	Turn It Up!
Art																	
K 2.01 Know how a number of artists - including some from their home country and the host country - use forms, materials and processes to suit their purpose																	
K 2.02 Know about some of the work of artists in the host country																	
S 2.03 Be able to use art as a means of self expression																	
S 2.04 Be able to choose materials and techniques which are appropriate for their task																	
S 2.05 Be able to explain their own work in terms of what they have done and why																	
S 2.06 Be able to talk about works of art, giving reasons for their opinions																	
Brainwave Unit																	
K 2.01 Know about some of the recent evidence and research into the brain and learning																	
K 2.02 Know that they can affect the quality of their own learning																	
S 2.03 Be able to apply these theories to their own learning and reflect on their importance																	
Geography																	
K 2.01 Know how particular localities have been affected by human activities																	
K 2.02 Know how particular localities have been affected by natural features and processes																	
K 2.03 Know how the nature of particular localities affect the lives of people																	
K 2.04 Know about the weather and climatic conditions in the host country and how they affect the environment and the lives of people living there																	
S 2.05 Be able to use geographical terms																	

Learning Goals

K	Knowledge
S	Skill
U	Understanding

	Active Planet	Brainwave	Bright Sparks!	Digital Gamers	Explorers And Adventurers	Feel The Force!	How Humans Work	ICT & Computing	Island Life	Land, Sea And Sky	On Tap	Saving The World	Scavengers and Settlers	Shake It!	Temples, Tombs And Treasures	The Nature Of Life	Turn It Up!
S	2.04 Be able to sing in tune and with expression																
S	2.05 Be able to perform simple pieces rhythmically using a limited range of notes																
S	2.06 Be able to improvise repeated patterns																
S	2.07 Be able to compose simple pieces to create intended effects																
S	2.08 Be able to choose sounds and instruments which are appropriate for their task																
S	2.09 Be able to improve their own work, having regard to the intended effect																
S	2.10 Be able to explain their own work in terms of what they have done and why																
S	2.11 Be able to talk about pieces of music, giving reasons for their opinions																
U	2.13 Understand how musical elements are combined and varied to create different effects																
Physical Education																	
K	2.01 Know the principal rules of a number of established sporting and athletic activities																
S	2.03 Be able to choose appropriate skills and movements to suit a task																
S	2.04 Be able to plan actions and movements																
S	2.05 Be able to take part in a range of individual, pair, small group and team activities																
S	2.06 Be able to perform a range of activities with control and coordination																
S	2.07 Be able to apply tactics in competitive situations																
S	2.08 Be able to apply expressive movements in sequence																
S	2.09 Be able to improve performance through analysis, observation and repetition																
U	2.11 Understand the importance of warming up before an activity																
U	2.12 Understand that physical activity is good for their health																
U	2.13 Understand the importance of rules																
U	2.14 Understand the importance of fair play																
Science																	
S	2.01a Be able to carry out simple investigations																
S	2.01b Be able to prepare a simple investigation which is fair, with one changing factor																
S	2.01c Be able to predict the outcome of investigations																
S	2.01d Be able to use simple scientific equipment																
S	2.01e Be able to test ideas using evidence from observation and measurement																
S	2.01f Be able to link evidence to broader scientific knowledge and understanding																
S	2.01g Be able to use evidence to draw conclusions																
S	2.02 Be able to gather information from simple texts																
U	2.03 Understand the importance of collecting scientific evidence																
U	2.04 Understand some of the effects of what they learn on people's lives

Music

Learning Goals

K	Knowledge
S	Skill
U	Understanding

S	2.12 Be able to recognise and identify familiar pieces of music including some from the host country
Physical Education	
K	2.02 Know the principles of water safety
S	2.10 Be able to move easily through water
Science	
K	2.48 Know that the sun provides the light and heat necessary for the earth
K	2.49 Know that the moon appears to change shape over the course of a month
Society	
K	2.04 Know that they have rights and responsibilities
U	2.09 Understand that celebrations are influenced by a variety of factors including beliefs and history
