

CROWN WOOD PRIMARY SCHOOL **RESIDENTIAL TRIP BEHAVIOUR AGREEMENT**

We want everyone to enjoy his or her residential visit. For this reason, we are setting out these behaviour expectations for you and your parents to read, discuss and sign.

THE BEHAVIOUR GUIDELINES ARE AS FOLLOWS:

While you are away, we expect you to act in a safe and responsible way, with respect for others.

Before we go, your behaviour in school - in lessons, on the playground, on trips and at clubs - should show us that you understand this. We reserve the right not to take a child who regularly behaves inappropriately in school.

While you are away, your teachers will handle the following problems promptly and fairly:

- Disruptive behaviour, i.e. bad language, vandalism, fighting, bullying, rudeness.
- Refusing reasonable requests by adults.
- Keeping others awake at night.
- Not participating in chores (e.g. dormitory clean up).

If you continue to act inappropriately, the teachers will phone your parents. Misbehaviour that is more serious may mean an immediate phone call home. These more serious problems are:

- Leaving your dormitory after lights out (except to use the bathroom or in an emergency).
- Endangering yourself or others.

If the behaviour continues or is repeated, the centre and/or the school reserve the right to ask your parents to collect you and take you home. There would be no refund.

If you are not sure if your behaviour is acceptable, ask yourself if you would be allowed to do it at home or school.

CONSEQUENCES OF RULE BREAKING:

- Quiet times or Time outs.
- Restriction or removal from a specific place.
- Restriction or removal from an activity.
- Talk with a teacher and / or phone call home.
- And finally, parents picking you up from the Centre and taking you home.

YOU WILL BE ASKED TO AGREE TO THESE GUIDELINES WHEN YOU FILL IN THE ON-LINE REGISTRATION FORM.
