*There were no statutory assessments in 2020 or 2021 due to the COVID-19 pandemic. Our results for 2020 and 2021 are based on teacher assessments, informed by tests in KS1 and KS2 – in 2020 this was in the Spring Term, in 2021, the end of the Summer Term. Our assessments were moderated internally and externally in 2021.

+Progress for 2021 is based on our internal measure of 'average steps'. A child at EXS at the end of Year 2 who makes 24.0 steps during KS2 would be at EXS at the end of Year 6. Consequently, 24.0 steps is seen as 'sufficient' (i.e. expected) progress. The figure shown is the cohort average.
