9th June 2026

Dear Parents and Carers,

I am pleased to tell you that as part of our commitment to developing our 'extra curricular' opportunities, we are again running a **2-night** Year 4 residential trip to Oakwood Youth Challenge in the Autumn Term. We hope this trip will help build resilience and resourcefulness and be a bridge to the longer trip in Year 6 to Rhos-y-gwaliau.

The trip will take place during the week of **5th – 9th October 2026** with one group going Monday - Wednesday and the second Wednesday - Friday.

During the trip, the children will take part in a variety of outdoor and adventurous activities including mountain biking, low ropes, bouldering, archery and a zip line.

You can find out more about the centre here: <https://oakwoodyouth.co.uk/>.

To keep the cost of the trip as low as possible, we will be asking parents to drop off and pick up their children from the centre (Waterloo Road, Wokingham).

The cost of the trip is **£195.00**, which will include accommodation, food and activities. You will be able to pay in instalments and there will be reductions for children in receipt of Free School Meals (FSM) or who attract the Pupil Premium Grant (PPG).

Bookings are now open. Please secure your place and pay via MCAS.

Please also complete the [Registration Form](#).

Kind regards,

Susan Thomas
Deputy Head Teacher
